Connecticut

Private Home

This family was looking to create a tree house away from Manhattan. This sanctuary was built with an emphasis on texture and color. Their extensive travels and love of Eastern Culture drove the color pallet and refined with carefully crafted design moments. Spaces were created by Thom Filicia.

Leah Ervi: Creative Director. Concept design. Lead Designer.

10,000 sqft : 3M

West Lake

Private Home

This family asked for a comfortable Casual Space. The goal was to create an environment that felt like it was hugging you, asking you to stay a while. The color palette was kept fresh and clean. The fabric selections were understand, but tactile and luxurious. Space were created by Thom Filicia. Greenwich Lanes Building Development.

Leah Ervi: Creative Director. Concept design. Lead Designer. Project Manager.

10,000 sqft : 3M

Greenwich Lane

Residential Condominium

The Greenwich Lane is a residential condominium developed by the Rudin family in partnership with Global Holdings. It is comprised of five buildings and five townhouses all connected by a central courtyard. FXFOWLE Architects designed the exteriors and the interiors were created by Thomas O'Brien of Aero Studios. Many residences have private terraces, and various residences enjoy views across Greenwich Village.

Leah Ervi: Project Manager.

30,000 sqft

Armonk

Private Home

This family has a busy home with 3 rough and tumble boys under the age of 10. The mother loves fashion and needed durability.. The space was to be slightly playful, while able to be grown up when needed. Spaces were created by Leah Ervi of Ervi Design.

Leah Ervi: Interior Design, Creative Director. Concept Design. Lead Designer, Project Manager.

7,700 sqft : 0.7M FF&E

Milford

Private Wellness Resort

The objective was to create a multi-use wellness space while highlighting the original architecture by Ted Nierenberg and the natural surroundings. This was achieved with innovative custom-built multifunctional and mobile furniture and lighting. Spaces were created by Leah Ervi. Leah Ervi and Barlis-Wedlick Architects received an “Honorable Mention” from Architectural Digest.

Leah Ervi: Interior Design, Creative Director. Concept Design. Lead Designer, Project Manager.
